LEADERSHIP, IT COMES FROM THE HEART.

On behalf of the Leaders of the Way Committee, I would like to take this opportunity to thank you for your generous investment in our great community. Your support goes a long way in improving the quality of life for many people in our community. Going beyond one single agency, your gift to the United Way of Thunder Bay is invested in a network of programs and initiatives which are helping to fight local poverty and social inequality. Your ongoing support continues to help us achieve this together.

- Maurice & Jackie Black,
Leaders since 2010

I give to the United Way because it is a convenient way to help many community groups. I give as an ongoing monthly donor so it is easy. I am also on the Allocations Committee, so I learn about the needs of the various agencies.

- Gail Palko, Leader since 1999

Your Donation Makes A Difference

Growing up in a small town, my father taught me how to work and help him on a regular basis. To this day, I enjoy working with my hands and realize how lucky I am. My donation to United Way allows youngsters to develop skills and become healthy adults, and that is great.
