As the Race Ambassador, please list the people that you have recruited to join Run the North.

*Please note that you can either collect their registration fees and hand everyone's in together with this sheet, OR you can encourage them to go onto the online registration page and register there and pay online. This will allow them to create the own personal online fundraising page if they wish to ask family / friends / colleagues for additional donations. Any participant that raises over \$50 in pledges will be entered to win a variety of prizes.

*If members you recruited have signed up on line, you can simply just add ONLY their name to this list as we will have the other information from when they registered online.
